Interference in the U. S. Patent Office.

W. H. Ashwell vs.

H. R. and T. Conyngton

-vs-

Case No.

Wm. S. Burnett

14,859.

"Combined Phonograph and

Coin Operated Mechanism"

Preliminary Statement of William S. Burnett.

William S. Burnett, of Milwaukee, in the County of Milwaukee, and State of Wisconsin, being duly sworn, doth depose and say that he is a party to the above named Interference declared by the Commissioner of Patents, Nov. 14, 1890; that he conceived the invention set forth in the declaration of interference in the month of May, 1890, that he made drawings or sketches of the invention early in June 1890, and disclosed said invention to others that same month; that he made a model showing such invention, and reduced the invention to practice in the week of July 7, 1890, and that he has at the present time about 28 of such machines in use.

*Wm S. Burnett.*

Subscribed and sworn to, before me, this <sup>sixteenth</sup> ~~17th~~ day of December, 1890.

*N. E. Oliphant*  
Notary Public.
